Labour Department.

A revised draft notification is sent herewith subject to the following observations:-

(a) As sub-rule (2) of rule 72-A specifically provides that copies are to be submitted to the Director of Labour Information, Bombay, no other officer can be substituted for the said officer in the notification to be issued under that rule. If necessary sub-rule (2) may be amended.

(b) In order to have the uniformity of dates for various returns required to be submitted by every employer, the Labour Department should consider whether it would not be better to specify the period from which the month or quarter or year, as the case may be, should commence. Otherwise every employer would interprete the meaning of the 'quarter' and the 'year' differently.

(c) It is sufficient if the words 'undertaking' and 'industry' are used without any qualification. They will have the meaning given in the Act.
